NATIONAL GUARD ASSOCIATION OF COLORADO

THE Vail Marriott Resort and Spa will again host our NGACO conference in their newly renovated luxury facility in the heart of America's most famous ski resort. Set the date! April 18-19-20. Kick-off begins with an 18 hole golf tournament followed by a complimentary luncheon at Outback Steakhouse.

Your basic conference fee includes continental breakfast on both Saturday and Sunday mornings, appetizers on Friday evening during Casino night and lunch on Saturday. Snacks and drinks will also be available during the breaks. Additionally, the resort is offering a discount of 25% on spa services and fine dining in the Ocotillo restaurant.

This will be a fantastic experience for you and your family, enabling you to minimize costs and optimize fun for all. First and foremost...register early. There are substantial incentives in our registration process to reward early registration; your conference fees will be reduced by \$5 to \$20 if you register before March 1st, and you will qualify for a free drawing for one of four

Studio King Suite upgrades at no additional charge! In addition, you can receive one night free for a two or more night stay by having a new member join the NGACO and attend the conference as well. Join us Friday evening at the resort's ballroom for free entertainment and a light buffet, all free of charge. Finally, there is complimentary self-parking for all.

You can stay in a fantastic room for \$102 per night, or choose a reasonably priced upgrade which includes a fireplace, kitchenette, additional sleeping accommodations and many other amenities. You must make your reservations directly with Marriott reservations at (800) 648-0720. Identify the Vail Mountain Resort and Spa by Marriott as your destination and state that you are with the NGACO. All room or suite reservation requests require a credit card guarantee and all reservations must be made by April 6, 2008. No-shows will be charged the entire length of stay. Reservations received after the cut-off date will be accepted on a space available basis at the group rate, but are not guaranteed.

The Marriott Mountain Resort and Spa will honor the group rate for up to 3 days prior and 3 days after the conference, a family vacation opportunity that is rare indeed at these prices! You will have more time to take advantage of the health spa and massage discounts and many other resort amenities such as child care, common area wireless access, health club, indoor and outdoor pool, jogging and biking trails, hot tubs and many more. Walk through the nearby shops, and visit the many eating establishments of Vail designed to meet every taste. Resort web site is <http://marriott.com/property/propertytype/WHRCO>.
